

2021 TRANSPORTATION MASTER PLAN WORKSHOP

Fourth Public Involvement Workshop

We want to hear from you!

Project Overview

The Town of Cutler Bay was awarded a grant from the Miami-Dade Transportation Planning Organization (TPO) to prepare a Transportation Master Plan Update to study the existing and future conditions of the transportation system within the Town, including the roadway networks, the transit system, and the pedestrian and bicycle networks to determine how each interacts with the existing and future land uses.

The plan requests public engagement in the generation of transportation solutions. As a result, a project bank of multi-modal solutions will be developed. Probable costs for these will be developed and the projects will be prioritized and placed in an implementation plan. The update of this master plan will help develop an additional list of multimodal transportation projects and policy initiatives that can be undertaken in the upcoming years.

What To Expect

The Fourth public involvement workshop will be held at Cutler Ridge Park, located at 10100 SW 200 Street Cutler Bay, Florida 33189. The Town's Consultant will present and be available to answer any questions. We encourage residents to attend the discussion of the Transportation Master Plan Update and look forward to your attendance.

Stay Informed

Get the latest on this project by signing up for our emails at www.cutlerbay-fl.gov/subscribe and follow us Facebook, Instagram and Twitter (@townofcutlerbay). With any questions, contact the Public Works Department at (305) 234-4262 and/or aquintero@cutlerbay-fl.gov

Pursuant to the provisions of the Americans with Disabilities Act, any person requiring special accommodations to participate in the hearing is asked to advise the Town at least four (4) business days before the hearing by contacting the Town Clerk at (305) 234-4262. If you are hearing or speech impaired, please contact the Town using the Florida Relay Service, 1(800) 955-8771 (TTY) or 1(800) 955-8770 (Voice) or dial 7-1-1.
